COOL BOX *Refrigerated Cupboard with Trolley*

The only refrigerated cupboard with trolley Really effective with open curtain

With its insulating motorized curtain, the new cooled cupboard COOLBOX is the ideal equipment to get permanently a stock of fresh products easy and fast to load.

Thanks to its powerful compressor, its perforated lateral surfaces which spread cold air continuously and its high insulation, COOLBOX preserves perfectly all your products.

After 1.30 hour of use, open curtain, no food will exceed 8°C at 25 °C ambient temperature.

COOL BOX *Refrigerated Cupboard with Trolley*
